May 2012

Message from the Mayor

Spring is here. I know, because my Vidalia onions arrived last week. I look forward to seeing Mr. Bill Styles, also known as "Red", bringing my onions into City Hall. What a great way to realize the amazing beauty of God's work in our lives. We have the opportunity see the growth of new things and the re-birth of some old things. The planting of the seed, the sun and the rain that falls allow us to enjoy watching the new buds burst forth from the ground and producing the fruits of our labor. We also get to observe some of the plants we planted years ago burst forth with their flowers, so we can see the joining of the old with the new.

This reminds me of this great city. We are seeing new growth in our city. Our population increased 174% in the last census. We have seen the downtown area add new businesses, a new court house, more office space, and added day time hours for shopping at the local stores. Other new businesses are developing their strategy for opening soon . All this to say our city is vibrant and alive and chock full of ENERGY.

Thanks to our older core group of business downtown. They are what it takes to keep a city live and well. Some of those businesses have been there for 50+ years. Please continue to shop and support those people, who stuck with it through the good times and the bad. Some are going through tough situations now, but I know with your encouragement and support, they will survive this blip.

Dawsonville is a great place to live and work. Thank you Dawsonville for giving me this opportunity to serve you.

God Bless,
James Grogan

James Grogan, Mayor

**City Hall will be closed on Monday, May 28th, 2012
in observance of Memorial Day**
