Message from the Mayor

W. James Grogan
Mayor

Please read and comment!

I'm sitting here watching the trees and bushes being trimmed at City Hall and am reminded of the message given in John 15 about the true vine. In that we are called to trim away those branches that do not bear fruit and to prune those that bear fruit, so that they may bear more fruit. John 15:5 says, "I am the vine, you are the branches. He who abides in Me, and I in him bears much fruit; for without Me you can do nothing." Our city is like that, we must trim out those things that don't work in our city to make way for the new things that bear more fruit. Our goal in the city is to be more fruitful as we move forward. We want to always have the best interest of our citizens at heart in any decision we make. Too often the dividing line in our community is the city limit sign. We look at each other as competitors or adversaries, when in truth we are all Dawson County citizens. The rights and privileges of city and county are the same, to provide the services required to remain a city and county. Dawsonville is the county seat of Dawson County and every citizen has to come to their county seat at some point in the year to conduct business. Should we not want that city to be the showplace of our county? I believe so. Much effort is spent in discussion about things that do not promote good relations between the county and city. The Mayor and City Council of Dawsonville would like to move forward in working together to achieve what is best for all our citizens without regard to whether they are in the county or city. We have much to do and wasting that time over territorial disputes is trivial. The City of Dawsonville is totally committed to serving all the citizens of Dawson County. If you have any comments, please forward to me at mayor@dawsonville-ga.gov.
