Just a reminder...

If you or someone you know needs assistance, we have expanded our Food Pantry in front of City Hall to better meet the needs of our community.

REMEMBER !

With temperatures plummeting this winter season, be sure to let your faucets drip to avoid frozen or busted pipes. Leave the heat on, and open cabinet doors below your sinks!

DON'T FORGET TO BRING YOUR PETS INSIDE!

2024 Government Meetings held at City Hall upstairs in the G.L. "Pete" Gilleland Council Chambers. The public is invited to attend.

A message from your City Manager...

I hope everyone had a wonderful Christmas and that 2025 is shaping up to be a great new year.

The weather, as it often is in January, has dominated the month so far. We were blessed with 3-4" of snow in our community and very frozen rain; thus, the power grid stayed up. The kids got a couple extra days off of school, as we dealt with clean-up, ice removal, etc. Please remember that freezing and thawing this time of year creates hazards for foot and vehicular travel. There is potential for some freezing precipitation in the upcoming weeks, followed by teens and single digit weather. Please be careful and help others who may be in need.

With TSPLOST passing on the ballot, there will be much transportation work going on across our community in the coming months; please be patient and exercise caution. GDOT will be working for an extended period on Shoal Creek Road, replacing the bridge and constructing a roundabout at Hwy. 136. At the City, we will start work on remodeling the patio between the City Hall complex and Food Lion.

We hope everyone has a wonderful New Year, and please remain aware of what Mother Nature might provide.

Bob Bolz
